PRIVATE EXPERIENCE / ENGLISH

# Río Salado · Two Days

A journey including an overnight camp, combining the corridors of Catarpe, Río Grande, and Río Salado. The logistics are organized as a two-day program, with food, water, and equipment transport all pre-arranged.

## Your itinerary

### Day 1 · River Corridors

We begin in the Catarpe area, moving along the permitted riverbeds and fords. The traditional route connects the San Pedro River, sections of the Río Grande, and the approach to the Salado; water levels determine which paths are accessible.

### Arrival at the campsite

The afternoon offers an opportunity to observe the canyon and accessible petroglyphs-please do not touch the surfaces. We set up camp at a designated, pre-arranged site.

### Dinner and overnight stay

This traditional itinerary includes a camp dinner. The menu, sleeping gear, and water supply are confirmed before departure; please note that this does not include the amenities of conventional lodging.

### Day 2 · Departure

We pack up, leaving no trace, and continue along the agreed-upon exit route until we reach the vehicle pickup point. The route for the second day is specified in the proposal; we do not invent undocumented circular routes.

**DURATION**

2 days · 1 night

**DISTANCE / ROUTE**

Program reference: approximately 14 km

**EFFORT**

Trekking with fords

**MEALS**

Dinner, breakfast, and trail rations are specified for each stage; please confirm water and camping gear arrangements.

**TRANSPORT**

Hotel pickup and drop-off in San Pedro (depending on location). Private transfers with stops coordinated by the guide.

**PREPARATION**

The distance in kilometers is not intended as a daily average. Water flow, permits, and the exit route for the second day require confirmation.
